1. On-street parking spaces designated for drivers holding the “Disabled Person’s Parking Permit” are not included in the above figures.
2. Light buses and light goods vehicles can use the parking spaces if the length of the parking space allows.
3. Light buses and light goods vehicles can use the parking spaces of indoor car parks if the ceiling height of the parking space allows.
4. Light buses can use the parking spaces.
5. Roadside goods vehicle parking spaces are often not confined to light/medium/heavy goods vehicles or container vehicles. Medium and heavy goods vehicles and container vehicles can use the parking spaces if the length of the parking space allows.
